Parents,

We are getting to the finish line very quickly. Next week we all library books are due and we have Field Day and get our yearbooks. So please read all emails coming your way. You know your Smartie will hold you accountable!

If you have any more books at home you could send our way for our Bookstore, please do so. We will have fun with that activity the week of May 20.

The last day to return library books is Monday, May 16. Please be prompt in getting books accounted for.

Summer is Coming!
